An act relating to education technology.

LEGISLATIVE COUNSEL'S DIGEST

SB 1647, as introduced, Torlakson. Education technology.

Existing law establishes various programs for the purpose of enhancing education technology, including, but not limited to, the California Technology Assistance Project (CTAP), which provides a regionalized network of technical assistance to schools and districts on the implementation of education technology.

This bill would declare the intent of the Legislature to enact legislation to develop, implement, and fund statewide efforts to increase and enhance the level of technology used to deliver instruction in public schools.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to develop, implement, and fund statewide efforts to
- 3 increase and enhance the level of technology used to deliver
- 4 instruction in public schools.
